
Car Run

Meet at Westfield Mall, Escondido with a full tank of gas ready to leave at 8:30.

Enter I15 north to Deer Springs Road off ramp, make a left turn on Champagne Blvd(old highway 395) and continue all the way to East Mission Road which takes you to Fallbrook. When you get into town turn right on De Luz Road, as you travel down the hill watch for Sandia Creek Drive that's where you need to go left on De Luz Road still. Now it's long and curving trail of excitement, but watch for 'De Luz Murrieta Road', it's a right turn that comes up just before the road turns into dirt, the road turns into De Luz Road, continue till you come to the STOP sign, turn left on Carancho Road. The next turn is right on Los Gatos Road, the road turns into Via Volcano, then Tenaja Road, next is left on Clinton Keith Road, continue till you cross the 15 freeway and turn right to the Shell station, gas, E85, bathroom. This is 68 miles so far, next stop will be lunch. Leave the Shell station and go right(east) on Clinton Keith crossing the 215 till the road makes a sweeper to the left on Leon Drive. Next turn right on Scott Road which turns into Washington Street farther down. Washington turns into Borel Road, then Buck, then Borel, then back to Buck, watch for a left turn on Anza which takes you to highway 79, turn left, continue all the way thru Warner Springs to highway 76(it's a right turn) stop at Lake Henshaw Resort for lunch. You've gone 70 miles on this loop. What direction you go from here is up to you.
